

McCALLIE TORNADO CLUB

Eleven State Championships in 2018-19. While none of the members of the Tornado Club ever stepped on the field last year, hit a tennis ball, wrestled on the mat, or swam in a meet, McCallie School's athletics booster club played a key role in these student accomplishments this past school year.

The McCallie Tornado Club works hard to promote Blue Tornado athletics and to provide our students, athletes and coaches financial assistance through membership, game attendance, involvement and volunteerism. The membership benefits go beyond the tangible game entry, tickets, and parking spots. The Tornado Club is one of McCallie's most active and social organizations and allows families and individuals the opportunity to be part of

a special group that loves Blue Tornado athletics and wants to ensure that our teams compete at the highest levels.

The Tornado Club impacts the entire athletic program and all teams – nearly 800 McCallie Middle School and Upper School athletes. The support of the Tornado Club keeps McCallie Athletics on track in providing a championship experience for the entire school community.

Five membership levels offer a variety of benefits for Blue Tornado supporters, including a young alumni category for McCallie graduates from the classes of 2010-2019. Our plan is to reach our goal of 300 memberships.

Please consider joining the Tornado Club for the 2019-20 school year and volunteering your time at our various athletic events.

Thank you and Go Big Blue!

Jeff Romero, Dean of Athletics
